02. Why Franchise?

- ✚ The easiest way to get into entrepreneurship.
- ✚ No need to have business experience, as you will be partnering with the franchiser who will help you to run and grow this business.
- ✚ An established name, brand & product will be provided.
- ✚ Increased business success because you will be partnering with already successful brand, where a big business concept and support will be provided.
- ✚ Focused already tested conceptual business ideas.
- ✚ Helps in overall management.
- ✚ Costs less than starting your own business.
- ✚ Most Important “ **90% of independent business fail whereas 95% of Franchise business succeed**”.

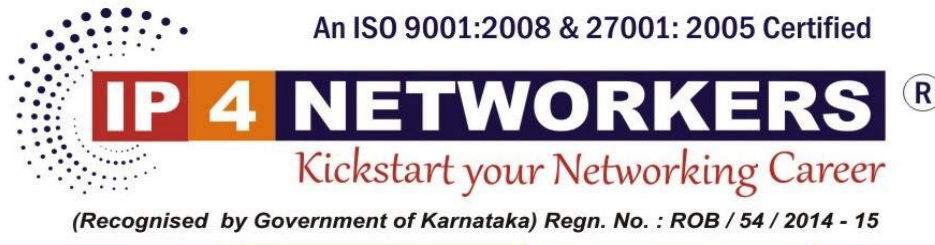

Why Choose IP 4 Networkers?

- ✚ **IP 4 Networkers** is a premier **CISCO, MICROSOFT, LINUX, VMware, SCCM2012/16, Microsoft Azure, A+ N+ & CompTIA** training company, Providing high quality Training services.
- ✚ **IP 4 Networkers** is India's **one of the best Training Company** which offers full-fledge Networking education and training program and made it affordable and easier for every kind of students.
- ✚ The Various Courses what we have, leads to various International (global) certifications like **CCNA, CCNP, CCIE, MCSE, MCSA, SCCM, RHCE, AWS, MICROSOFT Azure** etc.
- ✚ These professional courses lead to build professionals who are in today's demand in the all the fields of today's industry.
